USFSP RESEARCH MONTH - Events

Inquire. Discover. Examine. Share. A wealth of scholarly exploration is a daily occurrence at USF St. Petersburg. Dedicated research fuels and sustains intellectual thought. Research is the engine that generates knowledge and understanding of our complex world. RESEARCH MONTH celebrates the diversity and creativity of ongoing research by our faculty and students. Join the camaraderie of USFSP researchers and view scholarship, leadership, and service in action.

For further information: (727) 873-4096 or (727) 873-4842.
