Comprehensive Workshop

eIRB
USF UNIVERSITY OF SOUTH FLORIDA

The USF IRB electronic submission system, eIRB (ARC), was implemented in January 2010 and allows for the submission of new research applications.

Workshop topics include:

- Navigating through eIRB
- Submitting new studies
- Status of the application
- Submitting other applications
- Responding to revisions
- eIRB tips and tricks

This instructor-led training session provides participants with a comprehensive review of the eIRB system.

NOTE:
This session does NOT meet the requirements for Human Subject Protection Education.
